## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-3,5-15,24.30,32-36 renumbered as 1-26 are allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art of record does not disclose, in single or in combination, the claimed limitations of recording a time of last resource reallocation action when resource was borrowed or returned, comparing a current time with the last resource reallocation action time and proceeding or not proceeding to borrowing, proceeding if the difference between current time and last time being greater than a predetermined minimum time spacing requirement and not proceeding if difference being less than or equal to predetermined minimum time spacing, storing an enable indicative of whether resource reallocation is permitted for active connection, a lender class identifier indicative of class of service that resources are borrowed from, storing data with each borrow action including a borrow action time, an amount of resource borrowed for the active connection and a weight increment for active connection in combination with the other limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
